

## Johannes Ellenberg joins Digilents as Managing Partner

Digilents, the leading recruitment consultancy for e-commerce and digitalization, is strengthening its executive search and organizational consulting activities in Stuttgart and is bringing Johannes Ellenberg on board as Managing Partner

Stuttgart, 02/02/2024

[Johannes Ellenberg](#) has been Managing Partner of Digilents GmbH in Stuttgart since January 1, 2024.

The 39-year-old entrepreneur has over 15 years of experience in founding and building digital companies. His experience spans the e-commerce & digital sector, the service sector and the industrial goods market. His entrepreneurial focus has been on developing and scaling digital business models and building sales and marketing teams.

He has in-depth expertise in business model development, digitalization of sales and marketing organizations and the digital transformation of companies. In recent years, he has built up an extensive network of entrepreneurs, C-level decision-makers and experienced experts in the fields of sales, marketing and corporate management.

According to [Markus Fost](#), founder and Managing Director of [FOSTEC Ventures GmbH](#), Johannes Ellenberg's investment is an important building block for the future development of Digilents:

*"I have been following Johannes Ellenberg's work for several years now. I am delighted that we have been able to win him over and can now drive the further development of Digilents forward together. After the extremely successful years 2022 and 2023, in which we were able to support many well-known clients in filling their strategic positions in the e-commerce and digital environment, we want to expand our market position in the field of executive search within the digital economy in 2024 in order to become the first point of contact for filling C-level positions in the DACH region in this area as well."*

**About**

**Digilents**

Digilents was founded in 2014, at that time under the name CEC Connect E-Commerce, and is one of the leading recruitment consultancies in the field of digitalization and e-commerce in Germany. Since then, Digilents' digital recruitment experts have been advising companies that want to optimally align themselves in times of digital change and are looking for suitable people to do so, both for permanent positions and as freelance experts. The company was rebranded Digilents in 2019 to reflect that the company connects candidates and businesses not only in e-commerce, but on all topics related to digitization to drive sustainable business value.
